

Parking Stations

In May 2012, the City of Lake Geneva replaced all coin-operated parking meters with LUKE II parking stations at the rate of \$1.00 per hour. Visitors can now conveniently purchase parking at any station using a variety of payment options including quarters, bills, credit or debit card and **even an option to extend-by-phone (via text message)**. Please note that the parking stations do not provide change or give refunds.

HOW TO PAY FOR PARKING

Park and note your parking stall number. Then at any station:

1. Go to any pay station and press any key to “wake” the unit from power save mode.
2. Using the key pad, enter your parking space number, then press “OK.” Then press “1” to Make Your Purchase. Wait for pay prompt.
3. Insert quarters, bills or use credit/debit card for your length of stay (\$1 per hour). MACHINE DOES NOT GIVE CHANGE. Press “OK” to complete payment.
4. Take your receipt with you. The time your parking expires is printed right on the receipt.

There's no need to take your receipt back to your car. You can add time at any pay station (before your session expires) using the Add Item # on your receipt. To use the extend-by-phone feature, pay with debit/credit card and follow the prompts.
